**Parish Mission and Vision**

We are a Christian community from varied roots, united by God, guided by St. James the Greater, worshiping, evangelizing and helping each other toward holiness.

We form our young, adults, and families to develop Christian values, that all may serve the church and community through faith.

*Somos una comunidad Cristiana de raíces variadas, unidas por Dios, guiada por Santiago el mayor, adorando, evangelizando y guiando mutuamente.*

*Formamos a nuestros jóvenes, adultos y familias para desarrollar valores cristianos, que todos pueden server a la Iglesia y a nuestra comunidad.*

**RCIA** If you are an adult, not baptized or baptized other than the Catholic baptism, and would like to join the Catholic Church, the RCIA is a venue to learn the Catholic faith more and eventually get initiated or fully accepted in the Catholic faith. The instruction/formation runs about a year (10 months). If you are interested, join us anytime. Normally, initiation happens at Easter Vigil. Easter Vigil is on the eve on Easter Sunday. Call 503-829-2080 for more information. Come and see.

**#SolidaritywithSeafarers**

What does Pope Francis say about maritime workers?

- Without seafarers, the global economy would come to a stand still
- Without fishermen, many parts of the world would starve
- We must listen to the spiritual & material concerns of seafarers and fishermen

**Seafarers are key essential workers too!**

Year of  
ST. JOSEPH

A culture of travelling. One deeply impacted by the covid restrictions is the tourism industry. Many travel companies, tourism aggregates like food, hospitality and care services, and community welfare, big or small, were forced to either cut back or close down to survive. Many were left without choice but to reinvent or to discover a new way doing business. Some have creatively evolved while there were many that suffered patiently the effects of the pandemic. Why there was a struggle? Oh, it is hard to be flowing like the water, carefree and unassuming. Only those who learn how to bend make themselves sway with the test of times. Well, there are those who kept their stand never withholding what they have, and they, too, survive, fortunately.

To sway freely with the flow of the tide is a gift as well to survive without bending or going with the tide is also a skill but also a luck of survival. Either way, the one goal that all of us have now is the hope to emerge as victors. When all things are said and done, what we all desire is to come out from this ordeal strong and filled with new expectations.

As in a journey, we like to experience the joy ride. The destination is in view, but we always are excited about sceneries along the journey, and the experiences that we either enjoy or abhor during the travel. Admit it, we like travelling by land (if possible and practical) than by plane, for when we travel by land, we want to take our time and build memories along the way.

How I imagine those travelers long time ago, circumnavigating the world for years and years on the open ocean. Probably a lot of them lost patience for they had been on an unrecognizable place, in the vastness of the waters of the seas, until they reached their destination realizing the journey on the vast seas was more memorable than the time setting on land.

While we want to shorten our travels, and immediately reach our destination, we also lose a lot of the worthwhile experiences that teach what humanity means.

Similarly, in this ordeal that we are going through, we have a lot to teach ourselves about the beauty of humanity, only if we are willing to enjoy the journey despite the challenges and discomfort of travelling a long and uncomfortable travel.-30-

Una cultura de viajar. Uno de los más afectados por las restricciones del covid es la industria del turismo. Muchas compañías de viajes, agregados de turismo como alimentos, hospitalidad y servicios de cuidado, y bienestar comunitario, grandes o pequeños, se vieron obligados a recortar o cerrar para sobrevivir. A muchos les quedó sin más remedio que reinventarse o descubrir de nuevo hacer negocios. Algunos han evolucionado creativamente mientras que fueron muchos los que sufrieron pacientemente los efectos de la pandemia. ¿Por qué hubo una lucha? Oh, es difícil estar fluyendo como el agua, despreocupado y sin pretensiones. Sólo aquellos que aprenden a doblarse se hacen balancearse con la prueba de los tiempos. Bueno, hay quienes mantuvieron su postura sin retener nunca lo que tienen, y ellos también sobreviven, afortunadamente.

Balancearse libremente con el flujo de la marea es un regalo también para sobrevivir sin doblarse o ir con la marea también es una habilidad, pero también una suerte de supervivencia. De cualquier manera, el único objetivo que todos tenemos ahora es la esperanza de emerger como vencedores. Cuando todas las cosas están dichas y hechas, lo que todos deseamos es salir de esta dura experiencia fuerte y llena de nuevas expectativas.

Como en un viaje, nos gusta experimentar el paseo de la alegría. El destino está a la vista, pero siempre estamos entusiasmados con los paisajes a lo largo del viaje y las experiencias que disfrutamos o aborrecemos durante el viaje. Admitámoslo, nos gusta viajar por tierra (si es posible y práctico) que en avión, porque cuando viajamos por tierra, queremos tomarnos nuestro tiempo y construir recuerdos en el camino.

Cómo me imagino a esos viajeros hace mucho tiempo, circumnavegando el mundo durante años y años en el océano abierto. Probablemente muchos de ellos perdieron la paciencia porque habían estado en un lugar irreconocible, en la inmensidad de las aguas de los mares, hasta que llegaron a su destino dándose cuenta de que el viaje en los vastos mares era más memorable que el tiempo en tierra.

Si bien queremos acortar nuestros viajes y llegar inmediatamente a nuestro destino, también perdemos muchas de las experiencias que valen la pena que enseñan lo que significa la humanidad.

Del mismo modo, en este calvario que estamos atravesando, tenemos mucho que enseñarnos sobre la belleza de la humanidad, solo si estamos dispuestos a disfrutar del viaje a pesar de los desafíos y la incomodidad de viajar un viaje largo e incómodo.-30-

### June is the start of wedding season!

The Catholic Church has a long history of helping couples to prepare for marriage. It has learned a great deal that can benefit any couple, regardless of religion.

Because the Catholic Church wants couples to form strong, lasting marriages, couples who wish to marry in the Catholic Church are asked to:

- Contact and meet with your parish priest as soon as you are engaged.
- Take at least six months to intensively prepare for your marriage. This goes beyond choosing a date and church, reserving a place for the reception, and picking out dresses. It means using this time to delve more deeply into your relationship and approach this momentous day with prayer and reflection.
- Attend an approved marriage preparation program. There are many different formats for marriage preparation programs ranging from intensive weekends, to a weekly series, to "in home" mentor couple programs. Check out the most common national programs here. To find what programs are available near you, contact your diocesan family life office. Catholic marriage preparation programs are usually presented by a team of lay married couples and a priest or deacon. They are not restricted to Catholics, but they are always in keeping with Church teaching.
- Most dioceses ask couples to take a marriage preparation inventory (such as FOCCUS, PMI, or PREPARE). These are not "tests" to determine whether you can get married in the Church, but rather discussion starters to assess what issues you already agree on and what you might need to discuss further.

Marriage is a vocation to holiness. Whether you are just starting out in marriage or have fifty years under your belt, the advice, real life stories, and Church teaching here can help strengthen and bless your marriage. Explore resources from For Your Marriage! <https://www.foryourmarriage.org>

### 4th of July Chicken Barbecue Dinner

We need volunteers for the Chicken Barbecue on 4th of July. We need helpers from preparation day to dinner day and after the dinner. Please talk to Barbara Daniels if you are considering to help. Also sign-up sheets are available in the narthex.

### Coffee and Donuts

We would like to start doing coffee and donuts. Planning ahead, we would like to know who can help us prepare and get the coffee and donuts running on Sundays. Please talk to Roy Salvetti if you would like to help. We will know when we can start coffee and donuts as soon as we know who would help with the activity.

### Family for Exchange Student

Molalla High School is accepting exchange students this year. We are looking for a family to open their home, hearts and community to a 16-year old student from Spain. She is out-going, enjoys swimming and gymnastics and would like to try cheerleading and photography. She would like to attend church with the family too.

Contact Marcy Porreca-Hall

at 503-312-1478 or Jody Ogden at 503-702-5539.
