PARISH MISSION AND VISION

We are a Christian community from varied roots, united by God, guided by St. James the Greater, worshiping, evangelizing and helping each other toward holiness.

We form our young, adults, and families to develop Christian values, that all may serve the church and community through faith.

Somos una comunidad Cristiana de raíces variadas, unidas por Dios, guiada por Santiago el mayor, adorando, evangelizando y guiando mutuamente.

Formamos a nuestros jóvenes, adultos y familias para desarrollar valores cristianos, que todos pueden server a la Iglesia y a nuestra comunidad.

Rite of Christian Initiation of Adults

If you are an adult, not baptized or baptized other than the Catholic baptism, and are thinking about joining the Catholic Church, the RCIA is a venue for you to know the Catholic Church more and eventually get initiated or fully accepted in the faith. The instruction /formation goes approximately a year (10 months). While formation starts in September, anyone who is interested can come anytime and start the process. Typically initiation happens during the Easter Vigil, the eve of Easter Sunday.

If you know a friend or family member who is interested, let us know 503-829-2080. See you there.

Fr. Cit's Column

There is not much to do. There are settings we instantaneously label "not much" to offer in here. I stopped by Weed, California. When I Googled the city, immediately Google suggested that the city is one among those cities in USA with weird names. I thought, now what else? I specifically searched on Google "what to do in Weed, California?". Google suggested only a couple of activities, which are not necessarily in Weed but in neighboring Shasta and Black Butte. Confirmed or so I thought that there is not much to do in Weed.

Well, Molalla is also a small city and many underestimate what Molalla can offer. They say only an adventurous person can discover what good little cities can give. There is truth to that. If Magellan's expedition did not push for the extraordinary and the uncharted paths, the expedition could have not discovered the Pacific Ocean and the richness of that side of the world and the rewriting of earlier accepted scientific truths about earth. But not all of us are Magellans and still we can break open many things and discover there are as many things to do in small cities as there are in big cities.

I discovered Weed, though small city, is amazing! First among many things is to be amazed by the beauty Mt. Shasta exudes from a distance. When you are in Weed, especially in June, you will see a captivating beauty of Mt. Shasta. It was by chance that I enjoyed Mt. Shasta while I was in Weed. I actually planned on visiting Mt. Shasta, which obviously did not happen, but it was not at all a missed chance for I was privileged to be mesmerized by her in Weed. Then the small city opened my eyes why Mt. Shasta is captivating. Weed's calmness is a sure contrast to the imposing Mt. Shasta, yet Weed did not fade in the background, rather, she gave Mt. Shasta the prodding to boast of her beauty.

Weed, though small city, offers a lot of things beyond our imagination. That only happens if we allow her to take us to a discovery of what there is within us and beyond.—30-

No hay mucho que hacer. Hay ajustes que instantáneamente etiquetamos "no mucho" para ofrecer aquí. Me detuve por Weed, California. Cuando me googled la ciudad, inmediatamente Google sugirió que la ciudad es una de esas ciudades en los Estados Unidos con nombres extraños. Pensé, ¿ahora qué más? Busqué específicamente en Google "¿qué hacer en Weed, California?". Google sugirió sólo un par de actividades aa, que no son necesariamente en Weed, pero en los vecinos Shasta y Black Butte. Confirmado o así pensé que no hay mucho que hacer en Weed.

Bueno, Molalla es también una pequeña ciudad y muchos subestiman lo que Molalla puede ofrecer. Dicen que sólo una persona aventurera puede descubrir lo que las pequeñas ciudades buenas pueden dar. Hay verdad. Si la expedición de Magallanes no presionara por los caminos extraordinarios e inexplorados, la expedición no podría haber descubierto el Océano Pacífico y la riqueza de ese lado del mundo y la reescritura de verdades científicas aceptadas anteriormente sobre la tierra. Pero no todos nosotros somos Magallanes y todavía podemos abrir muchas cosas y descubrir que hay tantas cosas que hacer en las ciudades pequeñas como hay en las grandes ciudades.

¡Descubrí que Weed, aunque pequeña ciudad, es increíble! Primero entre muchas cosas es sorprenderse por la belleza de Mt. Shasta exuda desde lejos. Cuando usted está en Weed, especialmente en junio, usted verá una belleza cautivadora de Mt. Shasta. Fue por casualidad que disfruté de Mt. Shasta mientras yo estaba en Weed. De hecho planeé visitar Mt. Shasta, que obviamente no sucedió, pero no fue en absoluto una oportunidad perdida para mí fue privilegiado de ser hipnotizado por ella en Weed. Entonces la pequeña ciudad abrió mis ojos por qué Mt. Shasta es cautivador. La calma de la maleza es un contraste seguro con el imponente monte. Shasta, sin embargo, Weed no se desvanece en el fondo, más bien, ella dio Mt. Shasta el prodín para jactarse de su belleza.

Weed, aunque pequeña ciudad, ofrece muchas cosas más allá de nuestra imaginación. Eso sólo sucede si le permitimos que nos lleve a un descubrimiento de lo que hay dentro y más allá de nosotros.-30-

Happy Father's Day!

On Father's Day weekend, please join us in offering a spiritual bouquet to St. Joseph. As we celebrate the gift of fathers and honor St. Joseph, we also recognize that Father's Day can be a difficult holiday for many. We hope this spiritual bouquet provides an opportunity to pray for the intentions brought to your heart by the occasion.

Today is World Refugee Day

Today, we pause and remember the 25 million people who have had to flee their countries in search of safety for their families. According to the 1951 Refugee Convention, a refugee is one who "owing to a well-founded fear of being persecuted for reasons of race, religion, nationality, membership of a particular social group or political opinion, is outside the country of his nationality, and is unable to, or owing to such fear, is unwilling to avail himself of the protection of that country." The Catholic Church has for decades taken seriously the plight of these vulnerable refugees and through advocacy, education efforts, and service provision sought to provide increased protections for them. Visit www.Justiceforimmigrants.org to learn how you can assist the Church in this effort.

THE TWELFTH SUNDAY IN ORDINARY TIME

Religious Freedom Week Begins June 22

All people desire to enjoy communion with God, and this desire gives rise to the search for religious truth and finds expression in the formation of religious culture. Even people who claim no religious affiliation cannot help but need ritual, belonging, and truth. Why? Because we all long to know and love the One in whose image we are made. "For God formed man to be imperishable; the image of his own nature he made him."

The Church's promotion of religious freedom expresses her solidarity with all people who seek the good and hope for fulfillment in the truth. *As Pope Francis teaches:*

Hope speaks to us of a thirst, an aspiration, a longing for a life of fulfillment, a desire to achieve great things, things that fill our heart and lift our spirit to lofty realities like truth, goodness and beauty, justice and love ... Hope is bold; it can look beyond personal convenience, the petty securities and compensations which limit our horizon, and it can open us up to grand ideals that make life more beautiful and worthwhile (Fratelli tutti, 55).

Join us throughout the week as we pray, reflect, and take action on religious liberty, both here in this country and abroad.
